1. The following is an Examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims in this case, is the inclusion of the limitation "the vehicle roof in said rear storage compartment can be raised to facilitate access to the rear storage compartment, and a locking structure which, with the rear end of rear cover raised to the open position thereof, prevents further raising of the vehicle roof beyond said raised loading position and also a closing of the rear cover, while the roof is in the loading position" in the independent claim, in combination with the other recited limitations in claims supported by this application, which are not found in the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
